My Dad at Work

My Mom at Work

Dear _____

I made a 'flat me' for you to take with you when you go away. Keep 'me' close to you and when you are missing me, I'll be right there with you.

While you are away please take 'me' on an adventure and don't forget to write, email or call me, to tell me all about it. Maybe 'Flat me' could go to work with you, or just spend some time with you having fun.

I love you and miss you, and can't wait to hear what kind of adventure you and 'flat me' went on.

Love,

These are
some of the
feelings I
have when
my Mom or
Dad go
away
